

Eucharistic Adoration at Our Lady of Perpetual Help

"One hour within our Chapel is better than a thousand elsewhere" expresses the unspeakable value of the time we spend with Jesus in the Blessed Sacrament, where He fills us with spiritual riches, beautifies our soul, and increases our divine union with Him. The average person thinks that they are too busy to spend time with our Lord. This is because their priorities are not right and their journey in life has no direction or purpose beyond the material world in which they live.

As a sparrow finds a home in the nest, our "home" is in the Eucharistic Heart of Christ. Each person who comes before Jesus in the Blessed Sacrament is welcomed by Him with unspeakable enthusiasm and delight. In His love is our strength.

"Could you not watch with me one hour?"
Matthew 26:40

"God is Love"

1 Jn 4:16

One form of prayer that pleases Jesus very much is just to be still and simply let Jesus love you in the Blessed Sacrament.

Just as you can't be exposed to the sun without receiving its rays, so too, you can't come before the Blessed Sacrament without receiving the divine, vivifying rays of the grace and love of the Son of God.

Audrey Paytas, OLPH Adorer

I have been a Perpetual Adoration member at Our Lady of Perpetual Help Church for twenty one years. Adoration continues being a wonderful gift in my life and I feel blessed to have this opportunity of being in such a sacred relationship with Our Lord.

Shirley Voorhees, OLPH Adorer

As a member of OLPH, I would like fellow parishioners to know how Perpetual Eucharist Adoration has blessed my family. When my son-in-law was in Iraq for 1 1/2 years, I know he was kept safe through the prayers of special friends who participate in Perpetual Adoration and prayed for him regularly. I have two daughters who have been seriously ill over the past several years. Both have been helped dramatically through the prayers of friends who are Adorers. Everyday I am very, very thankful for the blessings we have received through this wonderful ministry. There is power in prayer—Christ is there—in our Chapel—and He is listening.

Paula Swatty, OLPH Adorer

Perpetual Adoration at OLPH has saved my life! I was diagnosed with cancer 10 months ago, almost died, and was hospitalized for a significant amount of time. If it had not been for those dedicated friends of Perpetual Adoration, my recovery may not have happened. The power of prayer is so strong and wonderful through this ministry, that miracles happen.

Ofelia Varela, Adorer

I am thankful to the Lord for my life, family, friends, and for the many other big and small blessings I receive through His mercy every day. Lord, I especially thank You for the grace of finding You again, in the Blessed Sacrament in the Adoration Chapel.

A Very Grateful Adorer

Recently, I read an article about Pope John Paul II. He beatified Dina Belanger. She was devoted to JESUS in the Blessed Sacrament. During her holy hour of prayers, Jesus revealed to her in a vision a multitude of souls on the precipice of Hell. After her holy hour of prayer, a multitude of souls went to heaven. This really gave me a strong desire to be there with our Lord, not only for my family, but for the world.

An Adorer

It is the best thing that ever happened to our parish. To be able to come here and know that our Lord is always waiting for you. I am a senior citizen. I wish I knew about this years ago.
