

Where are we in the Process?
An update on the NCA/WCEA Accreditation Process

“Going Deeper”

Each year the Diocese of Phoenix requires each Elementary school to complete what is called an “In-Depth Study.” The In-depth studies take a closer look at a particular curricular area. The format requires teachers to answer questions about “what we are teaching, how we are teaching, and how we are assessing” that subject area curriculum in grades K-8. In a Self-Study year, NCA/WCEA always requires Religion as an in-depth study in addition to one other curricular area; for us, this year, it is Social Studies. Evaluating our curriculum on a regular basis is an essential component of the School Improvement Process, and one that we embrace wholeheartedly as we continually strive to offer a challenging, relevant, and coherent curriculum for all of our students.
