

Where are we in the Process?

An update on the NCA/WCEA Accreditation Process

“They’re Here!”

Our accreditation visit is just around the corner. Our Visiting Team will be on site on November 11-13th. Their role in visiting our school is to validate what we have said about our school community in our Self-Study Report. They will be visiting classrooms, talking to parents, students, teachers, clergy, and administration, and looking at all of the evidence our community has gathered. For me, the excitement is building. This is our opportunity to welcome guests on to our campus and to show them who we are and what we do. We have an amazing Catholic community whose focus is on living out our mission statement.

Our Lady of Perpetual Help Catholic School is dedicated to building up the body of Christ by fostering the spiritual growth of our students in an emotionally safe and academically sound environment. Our school exists to educate students to be self-directed, life-long learners, and faithful disciples of Christ.

Welcome to our Visiting Team!

We hope they enjoy their visit and feel the strong sense of community that we have the privilege of living every day.

While they are here, they are part of our community and we hope they feel at home.

Stay tuned for the next installment of *Where are we in the Process?*...

“Where Do We Go From Here?”
