The Scottsdale/Paradise Valley YMCA After School Program is a licensed program that is dedicated to fulfilling the needs of working families.

After School Staff will assist with homework, provide time in our tech center, implement fun and enriched activities, and model a positive and caring attitude.

Our Lady of Perpetual Help site will remain on the school campus. The YMCA will provide nutritional snacks, and a positive and safe environment. Over the year the opportunities for fieldtrips, family events, and more will be offered.

We want to encourage our parents to join our Parent Advisory Council to be able to be a part of the planning, programming, fundraising, and more.

Thank you for considering the Scottsdale/PV YMCA as your choice for after school care.

All staff are trained and CPR/ First Aid certified, TB Tested, Fingerprinted, and background checked. All staff have a caring a positive attitude and will model the four character values; caring, honesty, respect, and responsibility.
