Dear Parents,

Thank you to all those who attended the Family Mass yesterday and especially to all the families whose children helped hand out Catholic Education Arizona flyers last week. Our parishioners enjoy seeing the school children participate. Many thanks.

Congratulations to the 8th graders who held their own *Coffee House* talent show this past Friday night in the Ramada. I am very proud of them; their efforts and talent raised \$1200 for their NPH and their godchild Francisco.

Thank you for joining us at McDonalds last week. Your efforts raised \$780 for our school, plus tips, plus the possibility of an additional \$500 if we are the leading school based on total sales.

A separate email containing information about participating in Christmas Eve liturgies went out earlier today. Please turn completed forms in to the school office.
