

SCRIP NEWS

ALBERTSON'S Grocery Shopper

There are TWO ways to support SCRIP –
You can do one OR both!

1. You can purchase Albertson's gift cards from SCRIP in \$25 and \$100 increments. Use these cards when shopping at your local store. If you have linked your Albertson's Preferred Savings card with the OLPH Community Partner's Card, you are making profits for the school two ways! It's a win-win situation!

2. If you are an Albertson's shopper you can help increase SCRIP profits using an Albertson's OLPH School Community Partners Card. Every time you shop, have the cashier swipe your Preferred Savings Card AND the Community Partners card. Profits are then earned automatically for our school. The FREE OLPH School Community Partners Card is available at the SCRIP table or by request through our order form. Due to the way Albertson's coordinates this program, individual profits cannot be determined.
