## BASHAS' Grocery Shopper

There are TWO ways to support SCRIP –  
You can do one OR both!

1. You can purchase a \$5.00 reloadable card from SCRIP, load up to \$500 at your favorite Bashas' store and start making profits! Bashas' offers a 6% profit on the amount you load onto your card. We keep track of your profit from monthly Bashas' reports.

2. You can also participate in the **Thanks a Million Program** beginning September 1, 2008. All you need is a BASHAS' Thank You card! When you shop at Bashas' in September, present your Thank You card to the cashier. Ask the cashier to link OLPH School's ID number ( 24554) to your card. You only have to do this once to be linked. From September 1, 2008 – March 31, 2009, every time you shop at Bashas', your total dollar purchase will be applied to OLPH School. Friends and family members can join up too! Due to the way Bashas' coordinates this program, individual profits cannot be determined.
