

SCRIP NEWS

SAFEWAY Grocery Shopper

There are TWO ways to support SCRIP –
You can do one OR both!

1. Register your Safeway Club Card number with eScrip, designating the profits to OLPH. Every time you shop at Safeway, using your Club Card you generate profits. To register your card go to www.escrip.com and register as a new member. Or complete the information below and we will register you. You can register up to 5 cards under one name, so ask your friends and family members for their numbers!

Name _____

Address _____

Phone Number _____

Safeway Club Card Number _____

***** Your phone number is NOT your card number. *****

To get your card number call 1-877-SAFEWAY. A Customer Service representative will assist you in finding your card number.

2. You can purchase Safeway gift cards from SCRIP in \$25 and \$100 increments. Use these cards when shopping at your local store. If you have registered your card with eScrip, you are making profits for the school two ways! It's a win-win situation!
