

# AN EVENING IN *Monte Carlo*

OLPH SCHOOL ANNUAL SPRING FUNDRAISING EVENT

## *8th Grade Portraits*

### ATTENTION 8TH GRADE PARENTS!

Come see your child's portrait displayed at "An Evening in Monte Carlo" honoring the 8th Grade Class of 2010. The black and white portraits will be on display and available for purchase (\$50) during the event.

Those of you with younger children have the option of having the portrait include your 8th Grader AND younger siblings OR the 8th Grader alone without younger siblings OR BOTH!

If you prefer the "individual" option without younger siblings, please let Angela know as soon as possible. That way we will not schedule the younger children and pull them out of class for the portrait.
